Welcome to Monty's Cub Club! We've got a lot of great things in store for our Golden Bear Cubs, and we are adding more fun activities and experiences all the time!

What is Monty's Cub Club?

Monty's Cub Club is a new initiative on the WVU Tech campus geared toward students 16 years-of-age and younger. Program membership is entirely free and gives members exclusive access to perks and experiences at WVU Tech.

Some of these benefits include:

- Monty's Cub Club members receive free admission to any WVU Tech home event.
- Monty's Cub Club members can be part of our Cub Club theme nights at select games.
- Monty's Cub Club members are eligible for a growing catalogue of perks (more to come as membership grows).

As we continue to grow our program and hear from the parents / guardians and Cub Club members, new experiences, perks and activities will be added to create one of the best youth-geared organizations in the region!

Cub Club membership is free to members thanks to support from Pendleton Community Bank and the Tech Golden Bear Alumni Association. Also, thanks to the Beckley Raleigh County Chamber of Commerce, Active Southern West Virginia and Chick-fil-A Beckley for their collaboration.
